

BUILDING PERMIT APPLICATION

1500 Morrow Road, Morrow, GA 30260 - Direct 678.902.0870 - Email: MTracy@MorrowGA.gov

Building Permit Application Procedures and Guidelines

No person, firm, or corporation shall erect, construct, enlarge, alter, repair, move, improve, convert or demolish any building or structure with the city, or cause the same to be done, without first obtaining a permit. Only general maintenance work is permitted without a building permit.

Application

1. The following items must be submitted with the Building Permit Application for renovations projects:
 - a. **Plans must be submitted electronically in PDF format**
 - Plans to include architectural, structural, HVAC/mechanical, plumbing, electrical, sprinkler, alarm, sign (s) and other applicable trades.
 - Separate submittal for sign (s) and fire sprinkler installation is required.
 - b. **Letter of Authorization from property owner to submit for a Building Permit**
2. For redevelopment construction, civil and construction plans must include a: site plan, topography, parking diagram, storm water control, method of site soil and erosion control during construction, landscape design detailing type/size shrubbery, trees, plants, etc.
 - a. Plans must be submitted electronically via PDF format.

Plan Review, Permit Issuance, and Inspections

1. Once plans and the Building Permit application are submitted with plan review fees, plans will be reviewed by the Building Official, Fire Marshal and, if required, Public Works Director.
2. Allow 15 business days for the plan review process.
3. If plans are not approved during the review process, the contractor or company will be notified to make any necessary changes. Once plans have been approved, permit fee paid and general contractor selected, a permit will be issued.
4. The general contractor agrees to assume responsibility of the following:
 - a. To ascertain that all required permits are obtained.
 - b. To ascertain that all sub-contractors have a current Occupational License from a municipality or county within the State of Georgia.
 - c. To assure compliance with all applicable City of Morrow Ordinances and Regulations.
 - d. To contact the Fire Marshal to schedule an inspection completion of approximately 80 percent of the project.
5. The Certificate of Occupancy will be issued upon the approval of the following:
 - a. Final inspections of all structural, electrical, HVAC/mechanical, plumbing, and low-voltage work will be conducted by the Building Official and Fire Marshal.
 - b. Certification that all sub-contractors have an Occupational License and proper permits.
 - c. Certification of approval from all other applicable agencies, i.e. Environmental Health Department, D.O.T, Water Authority, etc.
- d. **Note: A Certificate of Occupancy must be obtained prior to occupying any premises.**

General Information

- Separate permits are required for grading, electrical, plumbing, HVAC/mechanical, and low-voltage.
- A homeowner is exempt from obtaining a building permit for remodeling and/or improving his or her dwelling or property as long as the cost of the construction materials do not exceed \$1000, and the work is begun and completed solely by the homeowner. ***This exemption applies only to nonstructural changes and does not apply to any activity which changes the square footage of a structure.
- Fees shall be established in accordance with a schedule approved by the mayor and council, as may be revised from time to time.
- Permits are valid for six (6) months from the date of issuance; provided that if the work is not completed within the initial permit term, but has been diligently pursued, the permit may be extended, without additional charge, for successive three-month terms, so long as the work continues to be diligently prosecuted.
- No person shall engage in electrical, plumbing, HVAC/mechanical, or low-voltage contracting on any work within the City unless licensed by the State of Georgia. Where a state license is required, every applicant for a permit shall furnish proof, at the time of application, that he or the person contracted to do the work holds a valid state license in good standing.
- Prior to permit issuance, in addition to the information requested on the permit application, the building official may require tests, plans and specifications, plats and other written documentation from engineers, architects, land surveyors, and other professionals to ensure that full compliance with all permitting requirements of the state minimum standard codes and applicable laws have been met.
- No permit shall be issued for any building or structure which does not have access to public water and sewer unless plans for a well and/or septic tank has been approved by the Clayton County Environmental Health Department.

Note: Basic rules and regulations are presented in this document. For the City Ordinance building requirements/ guidelines for the City of Morrow, visit www.municode.com.

*****A Certificate of Completion may be issued for alterations, renovations, and/or general repair. Once you have received the final inspection from the Public Works Director, Building Inspector and/or Fire Marshal, contact Marti Tracy within the Planning & Economic Development Department at 678-902-0870 to receive a Certificate of Occupancy (C/O). C/Os will only be issued to tenants/businesses that have met all City requirements to occupy a business.**

Traffic Control & Contracted Law Enforcement Services

Permit holders who may require the “off duty” services of law enforcement officers shall contract those services exclusively through the City of Morrow Police Department.

Permit holders are prohibited from independently hiring or contracting law enforcement officers or agencies from other jurisdictions to work within the City of Morrow’s jurisdictional boundaries.

For traffic control assistance or other non-emergency law enforcement service required for your permitted project, please call the City of Morrow Police Administrative number, 770-961-4006, at least 7 days prior to the start day of required service.

_____ The project will not require contracting law enforcement services.

_____ The project will require contracting law enforcement services. The anticipated start date is _____.
